

App. No. : 10/01,393
Filed : January 24, 2002

REMARKS

Applicant has responded to the restriction requirement by electing claims in Group I for further prosecution on the merits. Applicant has cancelled the non-elected Claim 20-40. Applicant has added new Claims 41-52, which are each readable on the Group I invention. Applicant has amended original Claim 12 to correct a typographical error. A clean/substitute copy of the current claim set is included with this response.

This application is now believed to be in condition for examination on the merits and such action is earnestly requested.

CONCLUSION

This application, as amended, is believed to be in condition for allowance and such action is earnestly solicited.

Respectfully submitted,
